

Angels in Action helps.....

Educating children and adults in our Catholic faith, passing on the Gospel message.

Practicing our Catholic faith through holy liturgy, returning to God a sacrifice of praise.

Build & Serve Building bonds of friendship in our parish family, the Body of Christ. Serving our community as the hearts & hands of Christ.

Heavenly Father, we gather as Your Church, united in your spirit to Our Savior Jesus Christ. He has called each of us to life, to union with Him and one another.

United with Him as branches of the one Vine, we ask Your blessings upon our efforts to support His Body within this local Church of Northcentral Indiana. Through the outpouring of Your Spirit may we become better stewards of creation and givers of the life and love You have poured forth upon us.

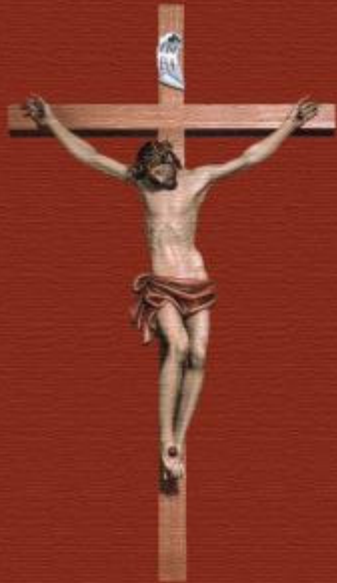

We ask this in the name of Jesus Christ, Your Son, who lives and reigns with You and the Holy Spirit, one God forever and ever.

Angels in Action

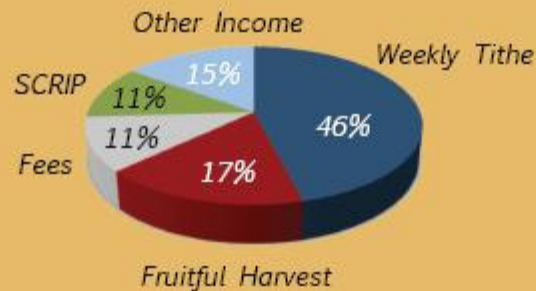

Fruitful Harvest 2008

*Thank You For Supporting
Angels in Action*

Do you support the Church? As we grow as a parish family, we all must grow in our desire to support the Church which guides our faith. God is the ultimate giver of everything we have. We need to give back generously from our first fruits, not just what is left over.

Sources of Income

Distribution of Gifts

Will you support Fruitful Harvest 2008? The future of Saint Maria Goretti involves planned and proportional giving of our time, talent and treasure. Angels in Action has a simple yet important objective... 100% participation! Our history shows that historically 60-70% of parish families have responded to past campaigns. With everyone's generosity and sacrifice, we can accomplish anything!

We Can Do This!!

Debt Paydown The gift of our beautiful Church and school facilities come at a cost. That cost is manageable for a parish our size, but without everyone's support we will continue paying interest on the mortgage that could fund other SMG objectives:

Connector/School Expansion Our 1994 master plan for the school was 3 classes K-8. The "connector" will finally provide parish offices & meeting rooms, yielding space for the third K-8 class.

Perpetual Adoration & Bell Tower Christ asked his apostles to spend one hour praying with Him, and the Church teaches us to do the same. Our time in His Eucharistic presence fills us with His grace; the ringing bells will continually remind the surrounding community of God's presence.
