

St. Maria Goretti

Middle School Service Hours Form (School Website Edition)

At St. Maria Goretti School, we work to integrate value formation practices into our curriculum. We want to help our students live the Gospel message in their daily lives. Students learn values from being exposed to the message of the Gospel, by participating in programs that help them to live out the teachings of Jesus, and by accepting the challenge to live the Gospel message when no one is present to direct them.

The purpose, therefore, of service hours is to help our students acquire the Gospel values of justice to others; love of neighbor; and service to the world, school community, and civic community. We hope our students will participate in a variety of service activities so that they can become aware of the many ways of serving their neighbors. We challenge our students to live their baptismal commitment: TO BE JESUS TO AND FOR THOSE IN NEED.

We ask our students to contribute the following number of service hours: Sixth graders- 15 hours; Seventh graders- 20 hours; 8th graders- 25 hours

Please fill in the form below and return it when the page is full, or at the end of the quarter.

Name: _____ **Grade:** _____ **Homeroom:** _____

*** Service performed:** _____

I helped... School Community ___ Parish Community ___ Civic Community ___
